Presently the garage has been converted to a fourth bedroom or family area, however this can easily be changed back to a garage as the garage door is still in place. The laundry is at the rear.

Families will love the big, flat back yard, which is a fabulous space for the kids and family pets to play safely. There is a large, timber entertainment deck which is a fabulous place to host family barbeques and enjoy meals while taking in those beautiful summer northerly breezes.

Just a short stroll to the village shops, schools, parklands and all of the town conveniences. This home will appeal to those starting out, retirees downsizing or the astute investor. With pretty, easy care gardens of natives and flowering shrubs with plenty of space to put in a pool or build a shed for Dad. This home is light, bright and very appealing. With the market moving fast, this home in its location and affordable price tag won't last long!
